What is a murder mystery dinner?

什么是谋杀之谜晚宴?

A murder mystery party is a themed dinner where attendees dress up to match a theme or assigned characters, and then work together to solve a fictitious murder which occurs during the party. The party guests not only have to investigate the murder, but they also become the suspects. By the end of the party, they must figure out who did it, how they did it, and why they did it. Role-playing characters from a different time period, background or geographical location is one of the most exciting elements of a mystery party.

谋杀之谜晚宴是一个主题晚宴，参与者通过着装与当晚主题或所饰演人物相符的服饰，在既定剧情中大家一起试着解开一场虚构的谋杀谜案。参与者不仅参与谋杀案的调查，还要接受成为谋杀案的嫌疑者。在聚会最好，大家都必须指证凶手、理清谋杀流程和谋杀动机。故事中会给与每个参与者不一样的角色扮演，详细的背景、身份描述和所在地理位置等，这些元素使得谋杀之谜晚宴更为真实。

WHAT DO DO? 要做些什么?

To solve the murder mystery, you'll need to work with other guests to gather important clues. However, keep in mind that one of the guests will be the murderer. It's important that you determine who your allies are early in the game. While some of the characters will help you, others will have been told to hinder your path toward the truth. Don't be hurt if some of the guests act standoffish with you, it may just be because their character is hiding a secret they don't want you to find out.

解决谋杀之谜，你需要和其他的宾客们一起找证据。但是一定要记住其中一位宾客会是作案者，重点是在故事的最开始你选择了信任谁。其中一些人物会帮助你一起收集线索，一些任务会试着阻止你找到真相。如果有参与者在餐桌上表现不太友好，千万不要玻璃心哦。他们可能是在隐藏一些不想让你发现的秘密!

WHAT TO EXPECT?有什么可以期待的

No two murder mystery parties are the same, but there are some common elements that one can expect.

The first "Act" puts things in motion. It establishes the world in which the crime is going to take place. It introduces the main characters and some of their basic relationships with one another. The first "Investigation time" occurs. This is the first opportunity for the guests to start really digging into each others and work any provided goals.

When the second acts starts, the murder just happened, a scavenger hunt with specific clues about the death start, and some of the characters are interrogated for clues about themselves, their relationship to the deceased, and any reasons why they would, or would not have committed the crime.

The third act is the lineup. All of the primary suspects will be reviewed. Known clues will be revisited, as well as standout keys in their relationship to the deceased. The teams (or individuals) will have one last chance to ask the suspects public questions before having to solve the crime. The guests will fill out a form with their final summary of who committed the crime, and why they had to go through with the heinous act. Once everyone has their guess logged, it's time for the revelation and the prizes

每一次谋杀晚宴情节都会不同，但是每次的结构和构架都是相通的。第一次的"Act"是谋杀的开始，在世界的某一处进行着秘密谋杀行动，同时介绍了主要人物和他们之间的关系。第一次"调查时间"是客人们进行真正深入的交谈的开始，并逐步完成所提供的目标。当第二次"Act"开始的时候，凶杀案就发生了。宾客们通过询问一些角色，慢慢搜索线索，理清他们和死者的关系，洞察嫌疑人杀人动机或是逐个排除嫌疑人。第三次"Act"是 lineup。将对所有主要嫌疑人进行审查。已知的线索将会被重新审视，以及他们与死者的关系中的突出重点。团队(或个人)在解决犯罪问题之前，将有最后一次机会向嫌疑人公开提问。每位参与者将填写一份表格，最后总结出谁犯了罪，以及他们为什么要进行这种令人发指的行为。每个人都写下了自己的猜测，之后就到了揭晓谋杀之谜和奖品的时候了。
